

JYOTHI ENGINEERING COLLEGE  
DEPARTMENT OF  
MECHANICAL ENGINEERING  
**NEWSLETTER**

Volume I, Issue I

January - May 2012

### H.O.D's Message

We prefer to have the best always out of anything for which we are attempting. To reach that level we must try our best through hard work and concentration. The rest will come automatically, either on the day or in future, if you are really deserving. With that hope you try your best.

HOD ME

Dr. M.K. Balakrishnan Nair

### Dept. Activities

Mechanical Department faculties visited SIFL Thrissur for Faculty — Industrial Interactions.

## Staff Achievements

Mr. Christy V. Vazhappilly and Vineeth P. Babu participated in the National Conference on “Smart Technologies for Instrumentation and Control Engineering”

held at held at Jyothi Engineering College on 21-22 March 2012.

## Staff Activities

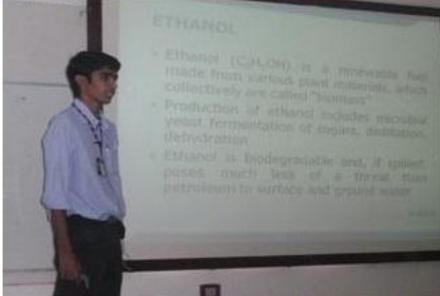

A Faculty Development Programme on “Teaching and learning Process” held during 20-21 April 2012. Participants also visited Industry for industrial Interactions.

## Students Activities

Mr. Sankarram T, Anish Raj K. of S8ME presented a paper entitled “An experimental study of Vortex tube refrigeration system”, at Vibhavana Tharang-2012 held at Jyothi

Mr. Ajith Xavier of S4ME presented a paper, “Next generation fuels” , at Vibhavana Tharang-2012 held at Jyothi Engineering College Cheruthuruthy.

Mr.Durga Das M, of S8ME presented a paper “Study of pressure sensitive paint for advanced aerodynamic testing” at Vibhavana Tharang-2012 held at Jyothi

Engineering College

## Sports Activities

100m gents race for staff held at Jyothi Engineering College, Cheruthuruthy.

1st Prize- Shaju C A

2nd Prize - Christy V Vazhappilly

3rd Prize - Shiju Varghese

## Students Achievements

Mr. Akhil Vincent, S4ME got first prize in LAN Gaming MW held at METS Mala. He also got Third prize in Gaming held at Viswa Jyothi, college of engineering Moovatu-puzha.

## Students Activities

An environmental study tour was conducted for S4ME students on 28th March-2012

**University Result:** The ME Department stands first in the Eight semester university results-2012

Faculty environmental study tour to Nellyampathy was conducted on 2012

Department Organised Family Day Get-Together for Mechanical Engineering Staff.
