Dear Sir/ Madam

You are requested to initiate steps to coordinate and collect MTech S1 and S3 question papers for the forthcoming university examinations (December 2019).

You have to collect 3 sets of question papers for each course.

Kindly perform the scrutiny of the question papers for the correctness and quality (cognitive level).

Assure that the cognitive level of questions for 70 % marks or more are of the level analysis or above.

You can reject the question paper if it is of inferior quality

After the scrutiny convert the question paper to the PDF format.

A sample question paper template is attached for your reference.

You may return the completed question papers to my mail by 10th November.
