Report of Blood Donation Camp

Blood donation drive was hosted on the 1st of July at the **EEE seminar hall** from 08:45 AM - 01:20 PM. It was hosted by the red ribbon club of the college, in association with National Service Scheme Unit - 140 (NSS UNIT - 140). A team of 12 members from Jubilee Mission Medical College, Thrissur led the camp. "Donating Blood is an Act of Solidarity, Join the effort and Save Lives" was the theme slogan of blood donation camp for the year 2022. 53 students from the college donated blood, and more than 100+ students turned out for the blood donation drive. Refreshments were provided for all the volunteers who came up for donating blood. After the pre-registered volunteers were called up for blood donation, spot registration was initiated for the same. Students along with faculties from different departments participated for the donation drive. July 1st was doctor's day; the doctors were gifted with mementos for their valuable contributions for the society.

Ms. Reshma K V

Report

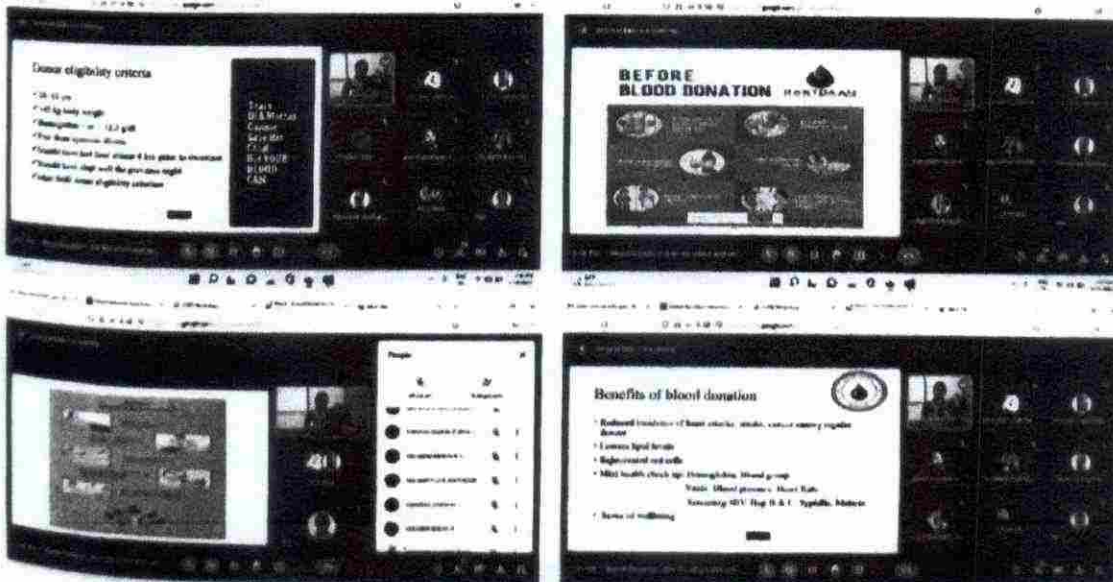

Blood Donation: Join the Effort and Save Lives

Every year on June 14th is celebrated as World Blood Donor Day. The goal is to raise global awareness about the need for healthy blood and blood products for transfusion, as well as the unpaid vital of the volunteer blood donors played in the national health systems. The day also serves as a call to action for governments and national health authorities to allocate sufficient resources and implement mechanisms and infrastructures to promote blood collection from unpaid, voluntary donors.

On behalf of World Blood Donor's Day June 14th, the Red Ribbon Club of Jyothi

Engineering college organized a webinar "**Blood Donation: Join the Effort and Save Lives**" on 14th June 2022 at 7.00PM. Dr Nithya M Baiju, Consultant Transfusion Medicine from Jubilee Mission was Resource Person. The program was started with a prayer and Ms. Jeromiya extended welcome to all the dignitaries to the program with a quote, "If you are a Blood Donor, you are a Hero to someone, somewhere, who received your gracious Gift of Life". Ms. Namitha welcomes. Dr. Nithya M Baiju gave a right direction among the students about the need and importance of Blood Donation in this pandemic period as well as the eligibility and advantages of Blood Donation. Also, she underlines the value of students in maintaining a safe blood supply and clear the doubts regarding the blood donation in this period.

Around 70 students and staff members attended the session. By 8:00PM the program came to end with a vote of thanks by Ms. Subina, Student Coordinator of RRC.

Give Blood and Keep the World Beating: Report

Every year on June 14th is celebrated as World Blood Donor Day. The goal is to raise global awareness about the need for healthy blood and blood products for transfusion, as well as the unpaid vital of the volunteer blood donors played in the national health systems. The day also serves as a call to action for governments and national health authorities to allocate sufficient resources and implement mechanisms and infrastructures to promote blood collection from unpaid, voluntary donors.

On behalf of World Blood Donor's Day June 14th, the Red Ribbon Club of Jyothi Engineering college organized a webinar on "Give Blood and Keep the World Beating" at 19th June 2021. Dr Nithya M Baiju, Consultant Transfusion Medicine from Jubilee Mission was Resource Person.

The program was started with a prayer and Ms. Reshma K V coordinator of RRC extended welcome to all the dignitaries to the program with a quote, "If you are a Blood Donor, you are a Hero to someone, somewhere, who received your gracious Gift of Life". Rev. Fr. Roy Joseph Vadakkan, Campus Head pointed out that Blood Donation will give a precious smile to someone's face and Rev. Fr. Dr. Jose Kannampuzha also mentioned about the value of Blood Donation. Dr. Nithya M Baiju gave a right direction among the students about the need and importance of Blood Donation in this pandemic period as well as the eligibility and advantages of Blood Donation. Also, she underlines the value of students in maintaining a safe blood supply and clear the doubts regarding the blood donation in this period.

Around 95 students and staff members attended the session. By 11:10AM the program came to end with a vote of thanks by Mr. Allen Reji, Student Coordinator of RRC.

Subject: permission for conducting webinar

Dear sir,

The S6 CE - CIVIL ENGINEERING SOFTWARE LAB - CEL334 syllabus revised as per U O No. 1731/2022/KTU Dated 21/07/2022. In this regard, we must provide a online webinar on the Revit (to introduce the software). Therefore, on tomorrow, July 26, 2022, we would like to organize a webinar on the same subject at 2.00PM

WEBINAR DETAILS:

Date: 26/7/2022
Time: 2.00 pm - 3.30PM
Venue: Insight hall
Topic: introduction to Revit software.
Resource person: Faseena Samad, Project Head, Cadd Space, Thrissur.

I request you to approve the same.

Thanking you,

Dr. Alwyn Varghese

Report on
WORLD WATER DAY
Organized By
Department of Civil Engineering and Institute of Engineers
(India)

On the occasion of World Water Day on 23-03-2022, Civil Engineering Department in association with Institute of Engineers (India) students chapter organized a Technical Talk on "**Groundwater**". **Dr.Brijesh V.K.**, Assistant Professor, Department of PG Studies and Research in Geology, MES Ponnani College, Ponnani was the resource person.

Rev. Fr. Thomas Kakkassery, Executive Manager presided the inaugural function, Rev. Fr. Dr. Jose Kannampuzha , Academic Director , Dr. Jacob Chandapillai, Head of the Department and Ms.VincyVerghese, IE(I) co-ordinator addressed the gathering. Students of Civil Engineering Department actively participated in the session. IE (I) student co-ordinator ,Ms.Sneha Thomas presented the feedback of the session.

Introduction to FOSS Webinar

Date: 5th June 2021

Platform: BigBlueButton

The poster is for a webinar titled "Introduction to FOSS". It features a central image of the speaker, Mujeeb Rahman, a FOSS enthusiast from Alpha Fork Technologies. The text on the poster includes the date "05 JUNE 2021" and the time "10A 30M". It also provides a registration link: "kutt.it/fossjec". Logos for Jyothi Engineering College, ICFOSS, and the Institution's Innovation Council are visible at the top. A note at the bottom states that an E-Certificate will be provided and verifiable at jecc.ac.in. Contact information for Amal Sebastian and Namitha T N is also listed.

The webinar on "Introduction to FOSS" was jointly conducted by FOSS Club and IEDC of Jyothi Engineering College, Cheruthuruthy for introducing the Free and Open Source Softwares and Ideologies.

The webinar was conducted through the BigBlueButton platform at 10.30 pm on 5th June 2021.

Around 120 students from various campuses participated in the webinar.

The resource person was Mr. Mujeeb Rahman, from Alphafork technologies. He is a FOSS enthusiast and a YouTuber at IB computing.

The session mainly focused on:

1. What is free and open source technologies?
2. Why do we need FOSS?
3. Basics of FOSS licenses.
4. FOSS alternatives day-to-day proprietary software.

The talk was followed by an interactive session, where some of the participants shared their experience with FOSS and some cleared their doubts.

Overall the session was effective in introducing FOSS concepts and softwares to the participants.

CODEZILLA 1.0

Date: 20th June 2021

Platform: HackerEarth

The poster features a central illustration of a person sitting at a desk with a computer, surrounded by floating icons for various programming languages and technologies like CSS, HTML, PHP, JS, and C++. The text is arranged around this central image, including logos at the top, the event title in large bold letters, a registration deadline in a circular badge, a prize amount in a dark badge, and contact information at the bottom. The background is a light blue with a subtle grid pattern.

Disrupt2.0

Date: 10th October 2021

Venue: Google Meet

DISRUPT 2.0 is the 2nd installment of the annual idea pitching competition hosted by IEDC-JEC exclusively for the students of Jyothi Engineering College. Students get to showcase their ideas to panelists who analyze and evaluate the viability of the same. It consisted of a screening round after which 16 teams were allowed to pitch their ideas in front of the panel of judges (Mr. Jinesh K.J., Dr. Biju C.V., Ms. Aswathy Wilson, Mr. Anil Antony) from I & E center, JECC, and Mr. Jesvin Palatty, Software Engineer from Infosys. Upon evaluation, 2 teams were selected as the winners and the runner-up of DISRUPT 2.0 who was rewarded with a cumulative cash prize of INR 1500.

Jinesh K J , I&E Cell : 9400086378
Amal Shibu , S5 CSE: 9539774533

A webinar on 'Key points from an Entrepreneur' was organised by IEDC-JEC on 12th December:

Speaker:

Mr. Ajmal Basheer

Founder & CEO

Healthified

Mr. Ajmal is a studentpreneur who built up his startup Healthified from scratch. He shared his experiences and journey as a budding entrepreneur. He also shared key insights and points to know by any student aspiring to be an entrepreneur.

SALT (Startup Awareness and Leadership Training) Program

Date: 19th February 2022

Venue: Decenial Hall, JEC

Startup Awareness and Leadership Training (SALT)

SALT Programme

Designed for students of 9th & 11th standards

IEDCs can select a nearby high school to implement this programme

The resources and instructors can be identified by IEDCs

Aims to create awareness about entrepreneurship opportunities among school students and to inculcate scientific spirit among young minds.

Touch upon the basics of entrepreneurship, leadership, innovation, personality development, communication etc.

SALT Team of Jyothi Engineering College has successfully completed a session of SALT with students of Sarvodaya V H S School, Aryampadam School in Mundathikode, Kerala

SRISHTI 2022

Date: 30th April 2022

Venue: College Auditorium

As part of 'THARANG', the annual tech fest of Jyothi Engineering College, IEDC-JEC in association with IEEE & IEEE-IAS organised ' *SRISHTI*', a project competition for B.Tech/Diploma students (any year of study) to showcase their innovative and unique projects.

Top 3 teams won cash prizes of 12k, 8k and 5k respectively.

1st Place: CYBORGZ-JEC (Jyothi Engineering College)

2nd Place: Gaming Bike (Sahrdaya College of Engineering)

3rd Place: Elite (Sahrdaya College of Engineering)

Student Achievements

Team UnicornDev from our College have participated and won the first place in Innoveiren (Project Presentation) hosted by CSI Chapter of PICT (Pune Institute of Computer Technology)

Team members - Sidharth P, Sidharth S Unnithan, Kiran T Suresh (S3 CS B)
Deo Saju, Amal Shibu (S3Cs A)

Abhijith Sureshkumar Menon, Anchana Vinod, Joshwa Tony and Malini Mohandas of S8 ECE won the Best Project under the guidance of Dr Sindhu S, Associate Professor, ECE for their project "BANKOMAT" in 5th National Level IEEE Project Competition held by GSSS institute of engineering and technology for women, Mysuru, Karnataka.

Mr. Navaneeth Nalesh & Mr Devadath P R of S2 Robotics has been selected to the final round of a National Robotics Competition conducted by IISc, Bangalore under the guidance of Dr. C. Karthik . The team will receive a grant of 4 lakhs rupees for the prototype development.

Mr. Thomson, Mr. Raphel, Ms. Tiya, Ms. Shelmy won the Bronze Prize with an award of Rs 10,000 for Best Project in the KSCSTE TECHFEST 2021 entitled "S-Box" under the guidance of Ms. Aswathy Wilson

Team MystriX of our college are among the top 92 state level qualified teams of Young Innovators Programme 2020-23 edition.

Team members (S7 Mechatronics): Mr. Jothis R Daas, Mr Rohan George John, Mr. Evin B Thaikkatil, Mr. Basith Ali, Mr. Haggin C Sajeev

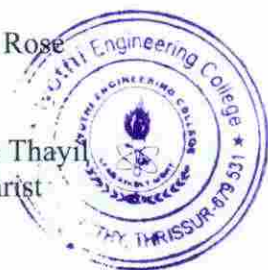

Team UnicornDev qualified as one among the top 2 teams from Thrissur District of YUVA Bootcamp 2021.

Team members - Sidharth P, Sidharth S Unnithan, Kiran T Suresh (S3 CS B)
Deo Saju, Amal Shibu (S3Cs A), Sandra M, Arunima Anil

S6, CSE Students Team got First in the Archathon (36 hours hackathon) as part of their major event Summer Startup Festival conducted by Swalambhan Chair for MSME solutions in association with SIDBI

Team Members - Sidharth S Unnithan , Deo Saju , Rohit Raj , Aneena E A and Maria Rose Thayil

Team UnicornDev Members - Deo Saju, Sidarth S Unnithan, Aneena E A, Maria Rose Thayil won second position in the event The Belfort of Wall Street conducted by IEDC of Christ College of Engineering, irinjalakuda on 04/05/22, 05/05/22, 06/05/22.

The Domestic exhibition and demonstration named **ELECDOMESTICOS** was conducted by IEEE -IAS SBC in association with Department of Electrical and Electronics Engineering on 29th April 2022 at Jyothi Engineering College. The exhibition started at 10am. It was an exhibition of various electrical devices like fuel gauge induction motor, slip ring induction motor, submerged motor it's pump and it's impellers, various types of switches, MCB, ELCB, typewriter, different types of DVD players, oven, vacuum cleaner, motors of Mixi etc. The construction, components and working of these electrical devices was instructed to us efficiently and effectively. The presenters was very knowledgeable and offered valuable information and tips. Moreover the faculties did a great job in guiding us, on how to impart our theoretical knowledge and turn our innovative ideas into reality. The coordinators was very interactive and friendly. They also made us more comfortable in each and every part of the session. By this expo we got a wide information like how to perform all the displayed electrical appliances. This program was very useful for youngsters like us. Overall the exhibition was very beneficiary and satisfying. We enjoyed the Expo thoroughly. Our gratitude to all our IEEE IAS members, Jithin Sir, Jinesh Sir and the entire coordinators of this unforgettable event.

Non- IEEE : 15

Brief report on the session

IEEE SB Jyothi Engineering College in association with IEDC Jyothi organized a Project Expo "Srishti". The expo was held on 30th April 2022, along with the tech fest "Tharang". The expo featured 15 projects from different colleges. The expo was held at the College auditorium which was started at 10:00am. It was an informative expo where we got an idea and a chance to see and learn different project ideas. We got a chance to see and learn about the working of different projects. The participants has great knowledge about their projects and they lectured about their projects. Moreover the faculties done a great job in guiding us. The faculties in charge where friendly and very interactive. The expo was very useful for us. Overall the expo was beneficiary and satisfying. We enjoyed It a lot. Our gratitude towards all our IEEE, IEDC members, Jithin sir, Jinesh sir. And all other faculties for this unforgettable expo.

The ROBOSHOW conducted by IEEE PELS Jyothi engineering college student branch on 30th April 2022 at Jyothi engineering college auditorium and was started at 10.00am. In total there were 40 students to attend the session. It was really productive and we got a brief idea about robots and their working. The roboshow was very interactive and helpful. The coding, construction, driving and working of robots was instructed to us efficiently and effectively. As we all are engineering students I'm sure that this workshop will be very helpful to all of us in our respective fields. This session included both practical and as well as theoretical classes. They introduced many new types of robots like dancing robot, water robot, mini robot etc. And we got some vital information about how to systemise a robot. The presenters were very knowledgeable and offered valuable information and tips. Moreover, the faculties did a great job in guiding us on how to impart our theoretical knowledge and turn our innovative ideas into reality. The faculty members who were in charge of this session were very friendly and interactive and they made us more comfortable in each and every part of the session. By this session we got a wide information about the technologies behind the construction and working of robots, what are the pros and cons of robots, what are the importance of robots in this era, how a basic model and coding of robot can be made and so on. Apart from all these it was also entertaining as there were dancing robots and was a real treat to everyone present there. This session was very beneficial for youngsters like us. Overall the roboshow was beneficiary and satisfying. We enjoyed the session thoroughly. Our gratitude to all our IEEE-PELS members, student branch coordinator Mr. Jithin K. Jose, the entire coordinators and all the students participated in this unforgettable session.
