**Sub:** Invitation for ICT Academy Webinar on LinkedIn Job assistance programme-reg

Dear Sir/Madam,

Greetings from ICT Academy of Kerala!

As you know, job placements is a key need for our students and even though it is not in our mandate, ICT Academy has been working with our partners and other interested Organisations to support the final year students in job placements.

We have been looking for a credible partner who could help our students in appearing for job opportunities in the Domestic and International Organisations for their fresh graduate selection programme. In this regard we have been in discussions with the world's largest professional network Company, LinkedIn ([www.linkedin.com](http://www.linkedin.com)) and they are keen to work with us in connecting our students to 30+ Organisations including MNC's through their Job assistance portal. It is expected to open up opportunities a lot of our fresh graduates.

To talk about this in detail and to clarify any queries institutions and students may have on the subject, we are organizing a Webinar on September 22<sup>nd</sup> between 2:30 pm – 3:30 pm over A-View channel. The LinkedIn Group Product Manager Ms. Khushboo Taneja will talk about the job assistance platform and the benefits students will obtain through it and also take any questions.

I would like to request your institution to be part of this Webinar and request your Final year students to attend it. Our technical team will be in touch with you and explain the details of connecting to the A-View Webinar.

Yours Sincerely,

Santhosh Kurup,  
Chief Executive Officer,  
ICT Academy of Kerala.

Dear Sir/Madam;

This is to inform you that an exclusive 3 day '**Campus Placement Aptitude Training Program**' has been organised for the current S7 students (all batches) on 31st October, 1st November and 2nd November 2016, from 9 AM to 4.30PM.

The program has been organised in association with **M/S Six Phrase**, a highly reputed organisation based at Coimbatore. The students will get complete and unlimited access to the Six Phrase online portal which is one of the best in the business, for 1 year. The PAT office can pull out data regarding the usage and individual student performance at any point of time.

Kindly make a note that the last date for registration to the online portal is **Saturday 22nd October 2016**. I humbly request all the HoDs and DPCs to ensure the registration of all the S7 students from your respective departments.

The students who have not registered into the portal and have not taken the pre-screening tests, will not be eligible for attending the training program.

**The process for online registration with the portal is as follows;**

- 1) Login to [www.sixphrase.com](http://www.sixphrase.com)
- 2) Click on Talent Assessment Tool

Subject - Request to allow the students to conduct workshops for Google's Explore ML Program

We are glad to accept SREERAG R NANDAN for Google's Explore Machine Learning Program. The **Explore ML Program** is designed for machine learning enthusiasts to learn ML in a fun way through videos, exercises and demos. During this program, students will learn, share, brainstorm and build on ideas together. This course will be staged with 3 different levels of difficulty: Beginner, Intermediate and Advanced level tracks.

With this document, we would request you to allow the student to host workshops for your campus associating with IEDC and CSI on 28/Aug/2019.

Thanking you in anticipation.

Best regards,

Dear Sir,

I am very happy to accept your invitation as a resource person for the webinar on "Modelling and Simulations of Event Driven Systems in MATLAB/STATEFLOW". or I can also give on Intelligent "Control Strategies for Action Coordination of Mobile Robotic Systems" (AI).

However, I would like to request you to keep it either on 15.12.2020 or 17.12.2020. Because I have a project review for Final Year Mechatronic Students on 16.12.2020.

Thanks and Regards  
Kuppan Chetty RM

Dear Mr. Anoop KT,

Season's Greetings from Jyothi Engineering College, Thrissur!

The Department of Civil Engineering of Jyothi Engineering College, Cheruthuruthy in association with ICI, is planning to conduct a webinar for students, faculties and professionals, on 15/12/2020 at 2:00 P.M.

Considering your professional expertise, you have been referred to us by Mr. Alwyn Varghese, Assistant Professor, of our college. Hence, with immense pleasure, let me invite you to be the speaker for the webinar.

Kindly let me know your willingness and convenience for the same.
