Dear Students,

ICT Training dates are confirmed. It will be on 5th and 6th of Jan, 2016.

ICT expects all students who have been shortlisted for SAP and Suntech opportunities to mandatorily attend this training to maintain standards.

Students who have CGPA 7 & above with zero backlogs are also encouraged to attend the training as ICT uses this cut-off to filter students for the various opportunities. ICT also considers the fact if the student has attended their training for them to maintain standards.

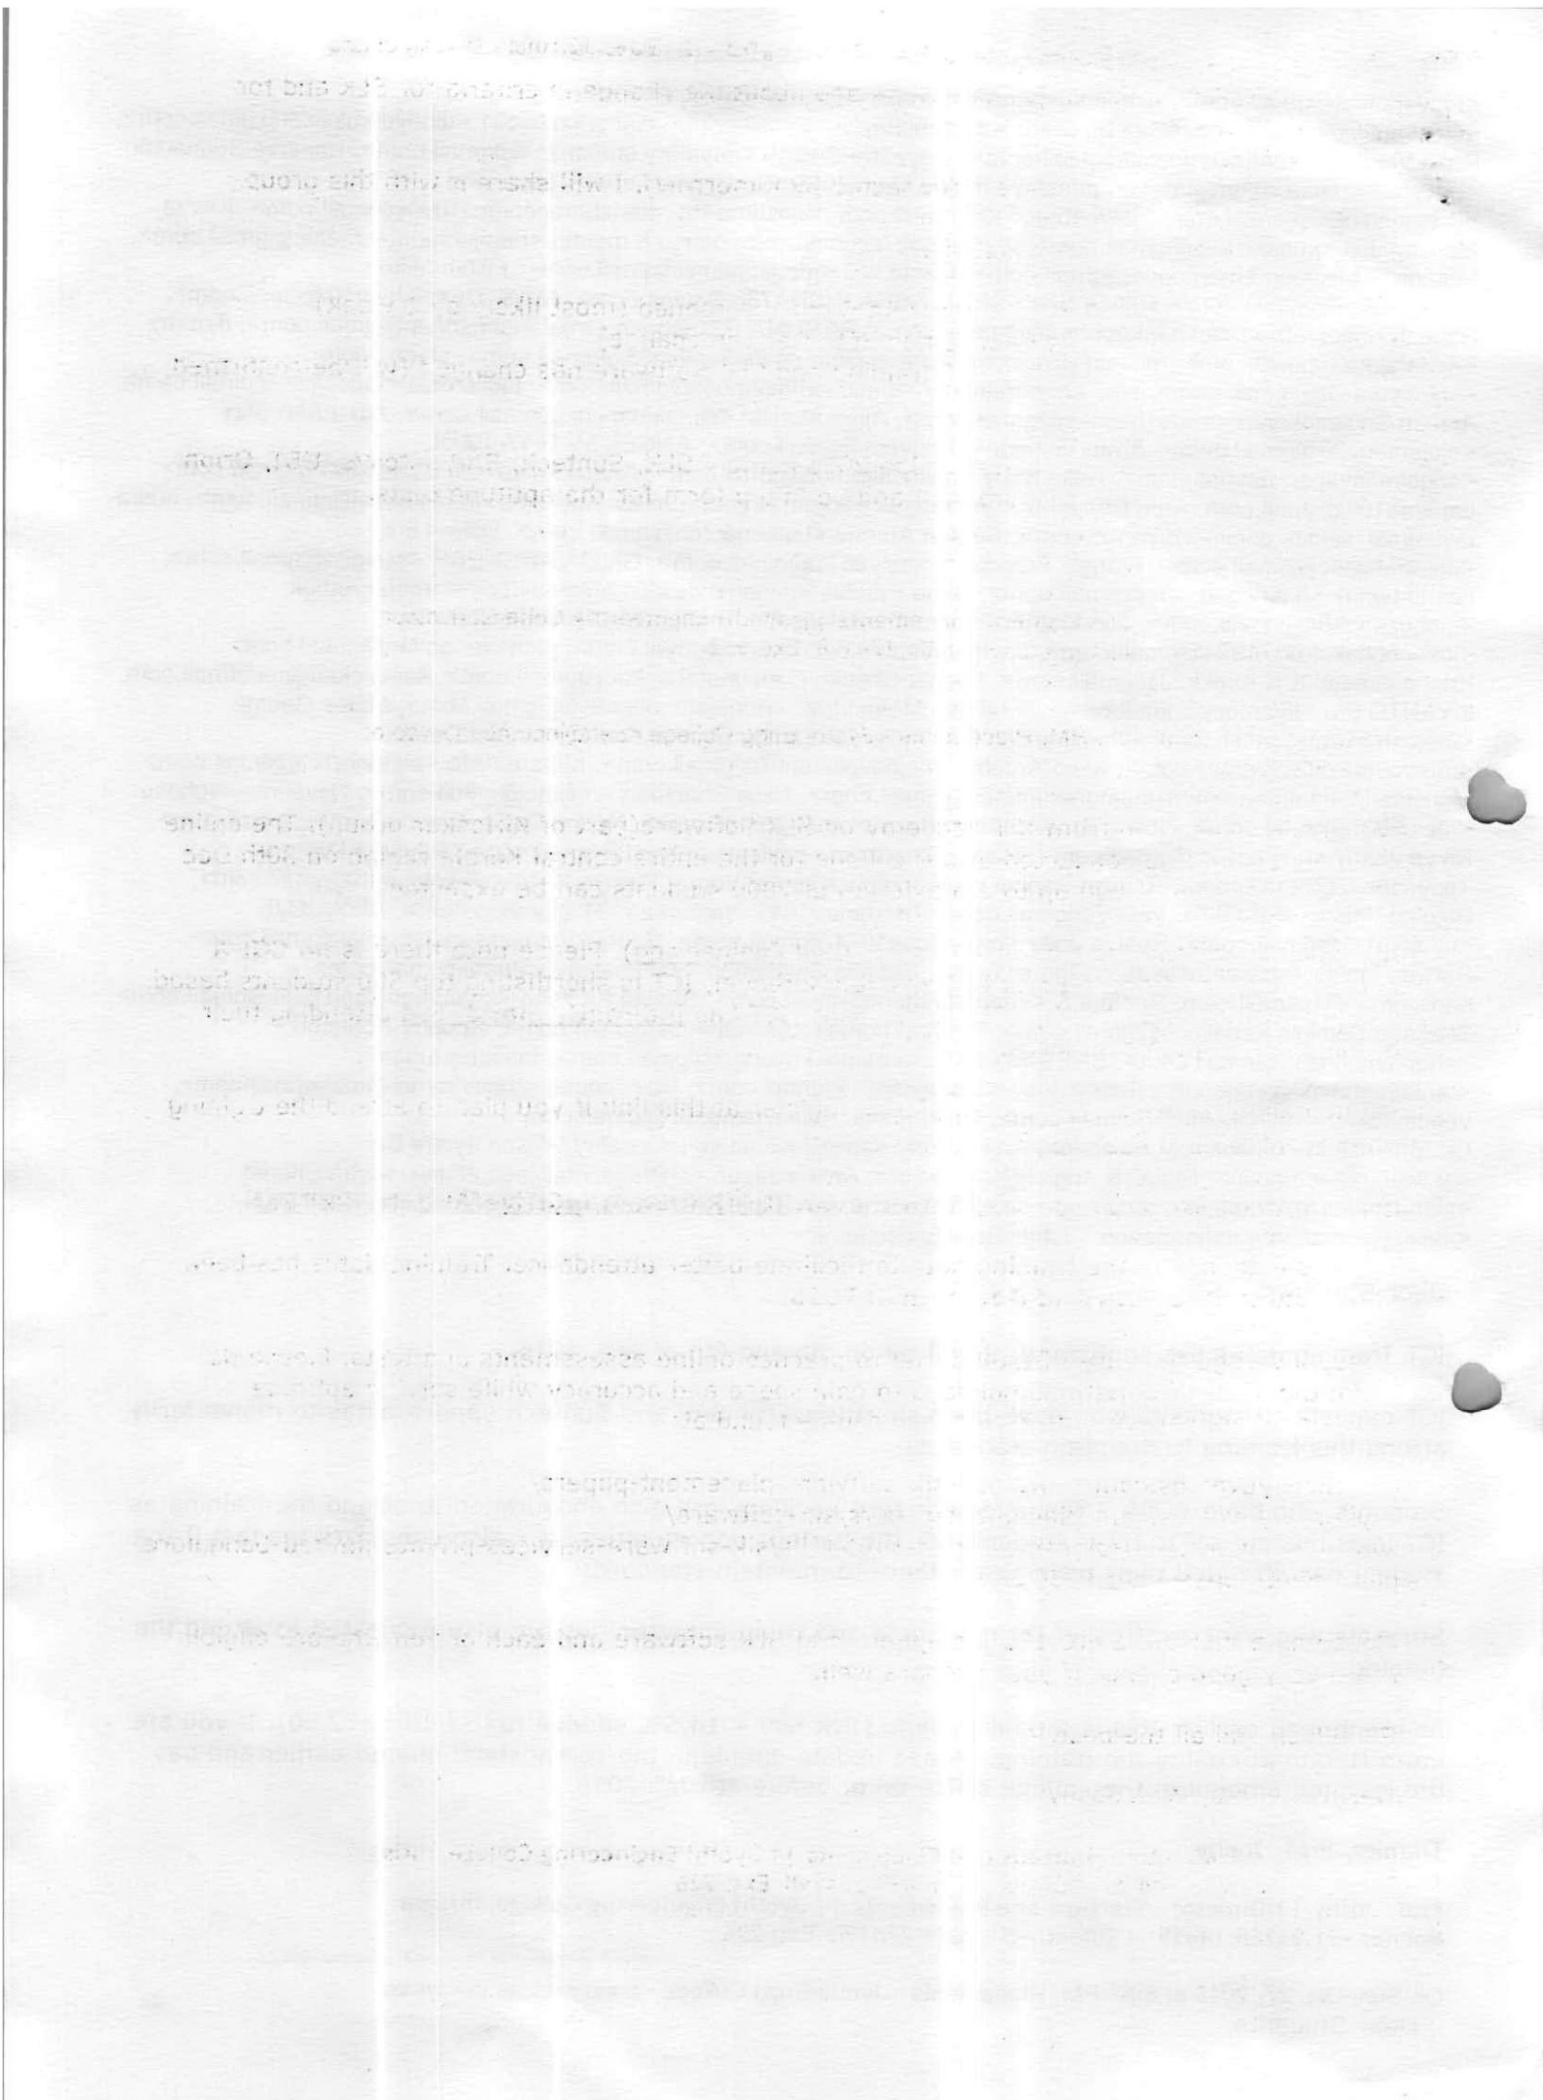

Students who want a refresher for mu-sigma and Orion opportunities are also requested to attend the training.

As mentioned earlier, this is a paid training (INR 500 + 14.5% service tax -> INR 572.50). If you are interested in attending the training, please update details in the spreadsheet shared earlier and pay the required amount in the college office on or before 4th Jan 2016.

Thanks, Prof. Joshy

Dear Students,

ICT Academy folks confirmed a short while ago about the change in criteria for SLK and for attending their training.

Once I receive the complete details (expected by tomorrow), I will share it with this group.

For now, there are three conclusions:

1. ICT Training scheduled for 28th and 29th Dec is postponed (most likely by 1 week)
2. SLK Software's test date is finalized on 30th Dec (no change)
3. Eligibility criteria for attending ICT Training and SLK Software has changed (will be confirmed by tomorrow end of day)

There are at least 5-6 opportunities in Jan 2016 namely SLK, Suntech, SAP, Infosys, UST, Orion amongst others. So, please prepare well and be in top form for the aptitude tests.

Thanks, Prof. Joshy

Dear Students,

We have confirmation from ICT Academy on SLK Software (part of Kirloskar group). The online aptitude test will be conducted at our college for the entire central Kerala region on 30th Dec 2015. A minimum of 500 up to a maximum of 2000 students can be expected.

All B.Tech branches are eligible (except Civil Engineering). Please note there is **no CGPA cutoff**. However, **backlog has to be zero**. Moreover, ICT is shortlisting top 500 students based on the training conducted by ICT. This means, ICT has **indirectly mandated** attending their training to maintain standards.

As mentioned in my earlier email, please register at this link if you plan to attend the training **on or before 17th Dec 2015**:

<https://drive.google.com/open?id=10AHh8pyxKHGGfPnUExzqop6rrivefALQLNz-vkP3Vnc>

There is a change in the training date to facilitate better attendance. Training dates has been postponed to **Dec 28th and Dec 29th of 2015**.

Please leverage the careerfit360 portal to practice online assessments and tests. Please do make the most of Christmas holidays to gain speed and accuracy while solving aptitude problems. Past papers of SLK software can be found at:

Please note that there are 150 job openings at SLK software and each of you who are eligible has a very good chance if you prepare well.

Good luck and all the best.

Warm Regards, Prof. Joshy

Dear Mr. George

Greetings from IMT Hyderabad!

IMT Hyderabad is a part of the IMT group of Institutions which was founded in 1980 with the establishment of IMT Ghaziabad (A Top 10 ranked B-schools in the country). IMT Hyderabad started its operations in July-2011 with a two-year full time PGDM program and has carved a niche as a premier management institute in South India in a short span of time. The Institute has a 30 acre campus situated near the Rajiv Gandhi International Airport in Hyderabad. Please visit our website www.imtyhderabad.edu.in for details w.r.t program offerings.

IMT group offers management programs at its campuses in Ghaziabad, Nagpur, Hyderabad and Dubai.

At IMT Hyderabad, we are interested in reaching out to undergraduate colleges and conducting student empowerment sessions. Such sessions were conducted at reputed colleges like NIT Puducherry with very good student feedback. Empowerment sessions would be delivered by our expert faculty members on following topics:

- Group discussion and personal interviews
- What after Graduation?
- Stepping stone to career in Management.

Our intention is to reach out and help students in informed decision making. We look forward to an invite to address your final year students. On invitation, Dr Tulika Sharma and myself will come to your college, address the students, and clarify their doubts. The session duration will be for 90 minutes. Please find attached our brief profiles.

Please call me on 9160952098, 9160511828 for any clarification. Looking forward to your response.

Best regards,

Mercy Aparanji

Dear Department Placement Coordinators,

We are arranging a training session on "Group discussion and personal interviews" tomorrow (Jan 22, 2016). This will be conducted by folks from IMT Ghaziabad. IMT Ghaziabad is one of the Top 10 B-Schools in India, ranking alongside IIMs, XLRI, FMS, MDI and SPJIMS. I am sure this will help our students understand what competition really means!

This is a limited edition training, meaning, we can accommodate only 70 students. Therefore, it is your responsibility to ensure the most deserving students from your departments attend this session.

I would request each of you to hand-pick the "**Top 7**" students from your S8 and S6 classes across all departments. If the students have inclination for higher studies like MBA, then it will be perfect. Else, it will help them for job interviews and GDs.

Please request the hand-picked students to be seated in "Insight hall" by 10.30 AM IST tomorrow.

Thanks for your support.

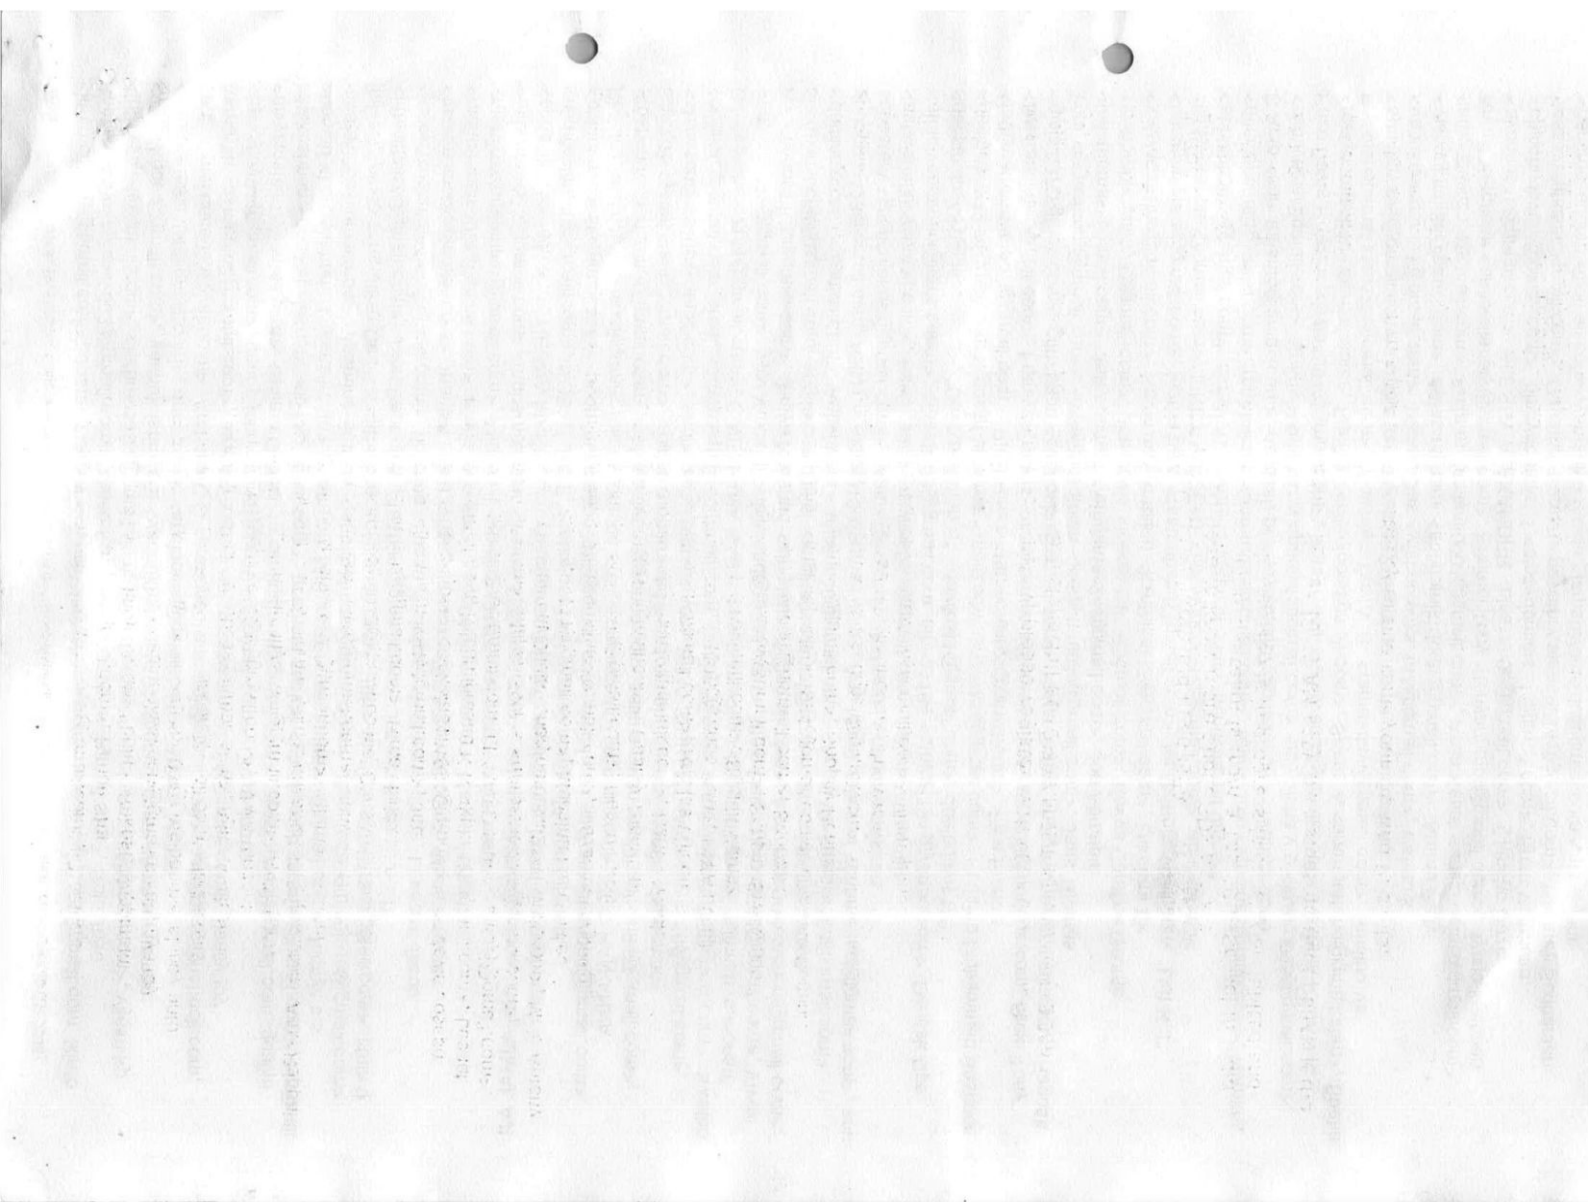

Warm Regards, Joshy

Dear Department Placement Coordinators,

We are arranging a training session on "Group discussion and personal interviews" tomorrow (Jan 22, 2016). This will be conducted by folks from IMT Ghaziabad. IMT Ghaziabad is one of the Top 10 B-Schools in India, ranking alongside IIMs, XLRI, FMS, MDI and SPJIMS. I am sure this will help our students understand what competition really means!

This is a limited edition training, meaning, we can accommodate only 70 students. Therefore, it is your responsibility to ensure the most deserving students from your departments attend this session.

I would request each of you to hand-pick the "**Top 7**" students from your S8 and S6 classes across all departments. If the students have inclination for higher studies like MBA, then it will be perfect. Else, it will help them for job interviews and GDs.

Please request the hand-picked students to be seated in "Insight hall" by 10.30 AM IST tomorrow.

Thanks for your support.

Warm Regards, Joshy
