Dear Nice / Representatives,

Good day !

Blissful appreciation for the genuine and timely efforts taken for responding to the flood relief campaign.

Thought to add some humble suggestions.

- 1). If Campaign information being shared among all the alumni ( with the database available with college ) and suggest for sharing this among their family , the responses will be good .
- 2). The time frame if extended till the month end , will be a generous gesture as people will get to know more and also it will be helpful for those who are waiting for the salaries , to put on their small contribution.

Support and best wishes for your good ventures .

Thanking you for your valuable time ,

Regards,  
George
