Dear Nice / Representatives,

Good day!

Blissful appreciation for the genuine and timely efforts taken for responding to the flood relief campaign.

Thought to add some humble suggestions.

- 1). If Campaign information being shared among all the alumni (with the database available with college) and suggest for sharing this among their family, the responses will be good.
- 2). The time frame if extended till the month end, will be a generous gesture as people will get to know more and also it will be helpful for those who are waiting for the salaries, to put on their small contribution.

Support and best wishes for your good ventures.

Thanking you for your valuable time,

Regards,  
George
