INTERNAL QUALITY ASSURANCE CELL

ANNUAL REPORT 2022-2023

- NAAC AQAR for the year 2021-2022 was prepared and submitted on the NAAC portal on 23rd December 2022.
- Two internal audits were conducted under the auspices of IQAC.
    - ODD semester audit was conducted on 10th and 11th November 2022.
    - Even semester audit was conducted on 7th, 8th, and 9th June 2023.
- Two external audits were conducted on 24th January 2022 and 14th July 2023, respectively.
- The new campus automation software, ETLAB, has been introduced in the college, and faculty were instructed to use it for all academic purposes.
- Faculty feedback from students was collected, consolidated, and reports were submitted to the management for necessary action.
- Guidelines for preparing question papers using ETLAB were issued, and training was given to all faculty.
- Question paper scrutiny was done timely by department DQAC, and reports were submitted to IQAC.
- Syllabus coverage reports and monthly activities were collected by DQAC, and consolidated reports were submitted to the principal through IQAC.
